

Dear Parents,

At Athletic Performance Volleyball we understand that unexpected events can sometimes prevent your child from completing their sports season. That's why we're excited to introduce an option that can help protect your investment in your child's sports experience - Sports Fee Insurance provided by US Sports Club Insurance.

This insurance provides coverage for a variety of situations, including injuries, illnesses, job loss, or relocation of parents. By purchasing this insurance, you can have peace of mind knowing that your financial commitment to our club is protected in case your child is unable to complete the season.

Sports Fee Insurance costs a small percentage of your total season fees, and in the event of a claim, USSCI will either reimburse you or pay the club directly for the lost time, depending on the circumstances. This coverage ensures that both your player and your wallet are protected throughout the season.

We believe that this service helps keep the cost of competitive sports low and enables us to maintain our pricing. We encourage you to review the options and decide on the level of coverage that best fits your family's needs.

We encourage all parents to consider this option as we do not offer refunds for any reason.

Thank you for your continued support of our club, and we look forward to a successful and enjoyable season for all.

Sincerely,
